

Hello to all,

I hope you are all doing well during these unprecedented times. When this all started, I would have never guessed the schools would close and spring sports would be canceled. The teams had six weeks of practices and were just starting to get into the competitive part of the seasons. There was a lot of excitement for our teams this year and I feel terrible for the coaches and kids, especially our seniors.

Falcon Club is responsible for funding about 85-90% of the cost to run the sports program at SVHS. We have a small group of volunteers to keep sports going. We are still responsible for covering all the expenses for the year. This includes league fees, uniforms, stipends for our coaches, etc. The decision was made to pay our spring coaches for the entire season. This was a county wide decision which we support. Because of the closures of businesses, we had to postpone our Golf Tournament at the end of April, which is one of the biggest fundraisers for Falcon Club. It has been rescheduled to September 25th.

With the COVID-19 virus causing the closure of our school and sports, Falcon Club is still committed to our community and keeping sports alive at SVHS. It is a very difficult time for everyone, including us. If you have any questions about Falcon Club, please email me and I will get back to you.

Sincerely,

Todd Hoffman, President
SVHS Falcon Club
